ADDENDUM NO. 2

This Addendum No. 2 (3 pages in total, including this cover page) forms an essential part of the contract documents by revising the following:

2A CONTRACT DOCUMENTS

No changes.

2B SPECIFICATIONS

7-8.4.1 General

Add the following:

The City will allow the use of the City Operations Yard at 9534 Via Zapador for storage of ARAM material and equipment during ARAM operations.

The City will allow the use of the City Operations Yard at 9534 Via Zapador for storage of slurry seal material and equipment during slurry sealing operations.

Contractor will have access to the property Monday through Friday from 6:00am – 3:30pm.

The Contractor shall be responsible to provide adequate storm water prevention measures around material and equipment that is stored at the City Operations Yard. The area used shall be approved by the City to ensure that current City activities are not impacted by the Contractor's material and equipment. The Contractor shall be responsible to make repairs to any damage caused by the Contractor's activities. The Contractor shall be responsible to ensure the area used has been restored to its previous condition, including removal of excess material.

Security is not provided at the City Operation Yard, if this area is used by the Contractor, the City is not responsible for any damage or theft of materials and/or equipment.

303-5.1.4 Access
